PROJECT DESCRIPTION

I. GENERAL

This project involves the replacement of existing detection at the intersection of MD 611 and MD 707 in Worcester County. Video detection will be placed into operation. MD 611 is assumed to run in a north-south direction.

II. INTERSECTION OPERATION

- 1. The intersection will operate in a NEMA 6—Phase, full—traffic actuated mode, with the MD 611 approaches running concurrently and the MD 707 approaches running concurrently.
- 2. Exclusive/Permissive left turn phases exist at the intersection for northbound and southbound MD 611.
- All underground and overhead utilities shown on these plans are schematic only and may not be complete. The Contractor shall be responsible for notifying Miss Utility prior to construction so that all utilities may be located in the field. If the Contractor perceives that a conflict between the utilities and the traffic signal will occur.
- the Contractor shall notify the Project Engineer immediately so that the conflict may be resolved. The Contractor shall maintain the continuous operation of all interconnect, vehicular, pedestrian detectors, and lighting devices. If any device is damaged by the contractor, it shall be repaired within 72 hours by the contractor at no cost
- to the Administration after notification by the Engineer.

 All existing traffic signal equipment removed shall become the property of the Contractor upon completion of the signal.

 The Contractor shall be responsible for identifying and labeling each existing cable utilizing the conduit between the signal cabinet and the nearest handhole and removing from all conduits, handholes, and the cabinet any unused cables prior to the installation of new cables. The contractor shall be responsible for terminating all signal cable to the appropriate terminals and properly labeling each cable.

CONTACTS

DISTRICT (ONE)

MR. DONNIE L. DREWER DISTRICT ENGINEER 410-677-4006

MR. RICHARD DAFF SR. CHIEF. TRAFFIC OPERATIONS

410-787-7630

MS. KENNETH CIMINO

ASSISTANT DISTRICT ENGINEER - TRAFFIC 410-677-4040

MR. ED RODENHIZER

MR. BRUCE W. POOLE

A. EQUIPMENT TO BE FURNISHED BY STATE HIGHWAY ADMINISTRATION

UTILITY ENGINEER 410-677-4082

MR. GREG HOLSEY ASSISTANT DISTRICT ENGINEER - CONSTRUCTION

410-677-4020

MR. WAYNE WEICHMAN ASSISTANT DISTRICT ENGINEER - MAINTENANCE

410-677-4010

OFFICE OF TRAFFIC AND SAFETY

MR. ROBERT SNYDER ASSISTANT DIVISION CHIEF. TRAFFIC OPERATIONS
